

ELKAY

Liv Built-in Filtered Water Dispenser

Convenience Beyond the Kitchen

Liv Filtered Water Dispenser

Keep your day moving with a hands-free water source that delivers fresh, filtered water for all the living that happens in your home.

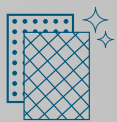

Elkay's Liv is the first built-in filtered water dispenser engineered for the home! Designed to seamlessly fit any space, it's a sleek, convenient addition to any room, from your entertaining space to the master suite, and even the kitchen.

It goes beyond water delivery, giving you peace of mind with a certified filter that reduces PFAS (PFOA/PFOS), lead and other harmful contaminants from water that's already available at home.

Liv

The original space-saving home water dispenser

Chic Styling

Glass front and brushed stainless steel finishes look great in any room

Bottles Saved

Backlit LED Green Ticker™ counts number of disposable, single-use plastic bottles saved by using reusable bottles and cups

Optional Chiller

Remote chiller provides chilled water to satisfy thirst

Sensor Activated

Hands-free filling with automatic timed shut off for ease of use

Built-in Design

Installs into the wall for a seamless look in any room where there's a water line

Safety Lock

Optional setting prevents unsupervised use; ideal for families with small children or pets

Filtered Water

71300C filter is tested and certified to NSF/ANSI 42, 53, 372 and 401 to reduce PFOA/PFOS, lead and more

Liv EZ

Same reliable filtration, redefined convenience

Our Liv EZ model offers many of the same great benefits as the Liv, with simplified installation.

Filtered Water

71300C filter is tested and certified to NSF/ANSI 42, 53, 372 and 401 to reduce PFOA/ PFOS, lead and more

Great for Remodels

Install into walls of convenient areas of the home, inside and outside the kitchen

Easy to Install

With no electricity required and only one incoming water line needed, installation is cost efficient and simplified

Easy to Maintain

Lightweight glass front is easy to wipe clean and remove to access the filter and batteries

Battery Powered

Conveniently powered by 3 AA batteries; no unsightly cords or electricity needed

Trusted, Award-Winning Drinking Solutions

Elkay® drinking fountains and coolers have been a staple in commercial spaces for more than 50 years. Our award-winning bottle filling stations have become the standard for sustainable, safer hydration in places such as schools and airports.

You can bring that same trusted, convenient commercial-grade filtration to your home with the smartly-designed Liv, the first built-in filtered home water dispenser.

With the Liv You ...

Contribute to a cleaner world by eliminating the need to buy single-use plastic water bottles that can end up in landfills.

Save time, money and storage space when you say goodbye to trips to the store for expensive cases of bottled water.

Rest easy serving filtered water to family and friends.

Water Anywhere
